Report of Principal and School Improvement Council

The mission of Myrtle Beach Primary School is to nurture and teach all children to become responsible lifelong learners. As an early childhood school, our specific challenge is to meet the developmental needs of young children by addressing their social/emotion growth, improving academic programs, and enhancing the school environment. We seek the involvement of our families and community in promoting these goals in an atmosphere of mutual respect.

Our academic program emphasizes learning to read and understanding beginning numeracy. Additionally, all students are encouraged to follow the school motto - Respect MBP (Myself, Building & Bus, People). Our students participated in district diagnostic testing using the PALS assessment, the DIBELS assessment, and the Developmental Reading Assessment (DRA). First grade students participated in the district administration of PACT writing, and kindergarten and first grade teachers also completed the South Carolina Readiness Assessment Survey for all students. In addition, MAP was given to all kindergarten and first grade students in the winter and spring.

An integral part of our program was the participation of paraprofessionals and professionals in staff development. Teachers and assistants worked in teams, planning and sharing strategies. They pursued topics such as effective learning centers, early reading strategies, and diagnostic assessment.

The PTO was committed to assisting the staff in pursuing a quality education for our students. Three family activities were held for parents and children. Volunteers also worked in the school as Reading Friends, tutors, and teacher assistants. Finally, 100% of our parents signed Parent-Student-Teacher Compacts, attended parent conferences, and worked with teachers to formulate learning plans for our children.

We look forward to the challenges of the 2008-2009 school year and invite you to visit us at MBPS and become a part of our "Primary Sailor Family."
